FROM THE EDITOR'S DESK

Our Eighth Annual Workshop in August was a big hit. Everyone who attended was very enthusiastic about everything - the arrangements, the dinner party, the organization, and most of all, our speaker. Mr. Lackey's lectures were extremely worthwhile and interesting, filled with valuable information for all genealogists. Plans are getting started now for our Ninth Annual Workshop which is scheduled for August 9, 1975. We hope to make this one even better.

This is the final issue for 1974. You'll be receiving it a little later than usual - partly because of all the activity involved in the workshop, but mainly because the Air Force has kept your editor out of town a great deal this past quarter. Nonetheless, we still have high hopes of getting the January 1975 issue in the mail very close to New Year's Day. Renew your membership today and be sure of getting the January issue!

You will be glad to know that THE GENIE is currently being indexed! A surname index to Volume VIII (1974) will be available early next year, followed shortly by an index for 1973 and earlier. This project is one of our efforts to make THE GENIE an increasingly more valuable research tool.

Another project getting under way is our FAMILY BIBLE PROJECT. (See page 42). We are making a special effort to preserve the invaluable information contained in Family Bibles wherever they are located. Too often these sources are lost or destroyed, and with each one goes an often irreplaceable record of ancestry.

We continuously solicit material for publication in THE GENIE. It need not be typed - the only inflexible rule is that it not have been previously published. If you have something you feel might be of interest and value, please contact the editor. A special thanks to our contributors in this issue.

  
 GORDON WALLACE SMITH, JR.  
 Editor, THE GENIE

## PRESIDENT'S MESSAGE

I wish to take this means of thanking those of you who contributed so much of your time to make our annual workshop a great success. I feel a highlight of our workshop was the Friday evening dinner party honoring our guest genealogist, Mr. Richard S. Lackey of Forest, Mississippi. This affair was held at the Barksdale AFB Officers' Club, sponsored by our hospitality committee, Lt Col Gordon and Barbara Smith, who went all out not only to entertain our guest speaker, but our many out-of-town guests as well. Special thanks to the Tiptons for the excellent arrangements for our meeting facilities at the Bossier Holiday Inn; the Perryman's for providing the bags that contained much essential data, along with a few goodies. To our registrars, Mary Jewell Moore, Jonnie Womble, Mable Roberts, and Elizabeth Nance. Our merchants, Billie Melton and Barbara Smith, whose extra efforts gained the Association approximately \$85.00 in the sale of genealogical materials, and 11 new members. To Gordon Smith for the acquisition of approximately forty door prizes, and last but not least, to our many out-of-town members and guests who attended our dinner, as well as our workshop. Please come and see us again in the near future.

We celebrated our 19th Anniversary on October 12th with a special all-day meeting. Not one, but two, outstanding speakers, Mrs. Veda Thornhill and Mrs. Fern Ainsworth, presented a comprehensive program on South Carolina research. Many members participated by bringing their genealogical charts, information, collections, books, questions, or whatever of interest that they wished to share. This is an annual event - if you couldn't attend this year - do plan to attend our 20th Anniversary meeting, the second Saturday of October, 1975.

Election of Officers: According to our by-laws all officers are elected for a two-year term (Editor of THE GENIE excepted). Your present slate of officers, except Mrs. Weaver and Mrs. Reynolds, Trustees, will have concluded their term of office on December 31, 1974. Therefore, we will vote a new slate of officers and two Trustees at our regular meeting in December. I feel the Ark-La-Tex Genealogical Association has a number of members who have the ability to administer the affairs of our Association and it is my hope that some of this group will accept nomination as officers, if they are contacted by the nominating committee.

Respectfully submitted,

*"Pete" Nance*  
M. L. "PETE" NANCE  
President

In a recent note from Ben Achee, who copied the above census records, he requested that we publish the following:

"I am in the process of compiling an index of the Rapides section of Goodspeed's. I wish to make this public in order that no one will duplicate efforts in the project. I hope to have the index complete by next summer and the entire Rapides section and index in print. I would like to hear from persons who would be interested in purchase of this publication when completed. I estimate that the cost of the book will be from \$7.00 to \$10.00"

TERRYVILLE CEMETERY  
(Abandoned)

Copied by Mable H. Roberts on 3 March 1974

In Lincoln Parish, Louisiana, on Hwy 544 about 1 mile off Hwy 151.

In the mid 1800s Terryville was a village having a Post Office and Land Office (in then Claiborne Parish). It was named for the Terry family who owned a large home. School and worship services were first held in their home. Today the only traces of a town is the abandoned cemetery on approximately 3 or 4 acres belonging to the Methodists of Louisiana. Sunken places are throughout the wooded area. The only graves marked are in the Madden family plot which is surrounded by a concrete and iron fence.

TIME CHANGE FOR GENEALOGY ROOM

The Genealogy Room of Shreve Memorial Library is now open during the evening hours on Wednesdays and Thursdays until 9 p.m. The new hours began September 18 in response to many requests. Mr. Ben Achee, a knowledgeable researcher and regular Saturday librarian who recently conducted classes on the efficient use of the Genealogy Room, is the evening librarian.

It should be stressed that these new evening hours are on a trial basis and cannot be continued unless patron attendance is sufficient to warrant the additional expense incurred by the Library.

For those who may be concerned about parking on dark city streets, there is a well-attended parking garage on the northeast corner across from the library. The rates are nominal and it is open until 9 p.m., however it is advisable to pick up your car about 10 minutes earlier - no cars will be released after 9 p.m.

NORRIS CEMETERY  
Near Fountain Hill, Arkansas  
(Incomplete)

Copied by Kermit Stell

RICHARD J. LOCKE  
SARAH A. J. O'DANEL

1828 - 20 Aug 1880  
1830 - 18 Aug 1861

According to Mr. Stell, the above records were compiled about 1960. At that time the cemetery was very badly damaged by loggers cutting trees and permitting logs to fall over, and on, the stones. There were approximately 50 graves here, badly neglected and quite overgrown. He further states that it is highly probable the cemetery has disappeared by this time.

AN IMPORTANT REMINDER

THIS IS THE LAST ISSUE OF THE GENIE FOR 1974. Only those who renew their membership for 1975 will receive the January 1975 GENIE.

With inflation boosting the price of everything from paper to printer's ink (to say nothing of postage stamps and paper clips), the membership has reluctantly found it necessary to increase the dues for 1975 from \$5.00 to \$7.50. This will, of course, include the four 1975 issues of THE GENIE. For the first time, there is also a family membership available at \$10.00. This will entitle two members of the same family full membership privileges but will include only one subscription to THE GENIE.

A 1975 membership application is included as an insert in this issue. Please complete, enclose your check or money order, and send it promptly to insure that you will receive your January GENIE on time.

ABSTRACT OF THE MINUTES OF HEBRON BAPTIST CHURCH  
(1845 - 1894)  
Winn Parish, Louisiana

Through the courtesy of Peggy Meredith Brady of Jonesboro, La., we begin a new series of valuable records. In the interest of history, as well as genealogy, we will publish this ABSTRACT just as Mrs. Brady compiled it, including her preface. (Ed. Note: Mrs. Brady and Mrs. Ophelia M. Story, who is mentioned in the preface, are cousins of your editor through the Peters family of Winn Parish, as is Mrs. Glenn McCarty, also a member of our Association.)

PREFACE

The following article was written by H. Ted Woods in his column "Caldwell Parish in Slices" in the Caldwell Watchman-Progress Newspaper, Columbia, La.:

"The minutes of the Hebron Baptist Church, which was established in the year 1845 and still continues as an active Winn Parish Baptist congregation, are the oldest and most historically valuable record of anything in that Parish, according to H. B. Boseman, well known historian of this area, in an article appearing in the Thursday, August 13, 1970, issue of the Winn Parish Enterprise."

"While Caldwell Parish boasts of several Baptist churches that are older than the Old Hebron Baptist Church, there is no evidence that any record of minutes exist at this time."

"The article about the Old Hebron Baptist Church is of special interest to the people of this parish inasmuch as it is located on the Grayson-Sikes blacktop near the Caldwell Parish line and the two Baptist ministers who spearheaded the move to organize this old church were both residents of Caldwell Parish, being Rev. Nathan M. Davis and Rev. Thomas R. Meredith."

"According to Mr. Bozeman, the records or minutes of Old Hebron Baptist Church are in two leather-bound volumes that Mr. and Mrs. B. E. Thigpen, whose families have done much to preserve these priceless records for the past 125 years, have loaned the Winnfield First Savings and Loan Association in Winnfield to be Xeroxed."

"Mr. and Mrs. B. E. Thigpen recently told Bozeman the fascinating story about how the old church records had been preserved all these years. LeRoy Harvey, a great-great-uncle of Mrs. Thigpen, became the second church clerk in 1847, and since then many of the church clerks have been related to either Mr. or Mrs. Thigpen down to the present clerk, Miss Linda May, a granddaughter of the Thigpens, who is an employee of the Citizens Progressive Bank in Columbia."

"It is understood that the said minutes from 1845 to August 1894 would have been lost forever had not Lott Hinton, the father of Mrs. Thigpen, found them on a trash pile fixing to be burned. This was in 1923, and as Bozeman put it, finding the minutes was "nothing less than an Act of Providence".

"At the time the Old Hebron Baptist Church was organized in 1845, the church site is where it is today, but was then in Catahoula Parish; that part of Catahoula that became a part of Winn Parish in 1852 when that parish was created. When the present church building was erected in 1903, the Hebron community was thickly populated by prosperous farm families for many miles in every direction. Now there are only a few families left. Most of the children, grand-children have gone to cities and towns elsewhere, and the large timber industries have purchased the farms which are now thickly covered over with pine trees."

"According to the old minutes, the first organizational meeting of the church was held on January 25, 1845, and among those attending were Joseph Peters and his wife, Olive Peters; L. C. Bullock and wife, Pamela Bullock; Noah Willis and wife, Winaford Willis; and a Mr. Jones and his wife, Varah Jones." (Olive Peters was a Rentz before her marriage. Ed.)

ABSTRACT OF THE MINUTES OF HEBRON CHURCH - continued

"L. C. Bullock, according to the minutes recorded on January 26, 1845, was selected as the first clerk of the Old Hebron Baptist Church, and Noah Willis was the first man chosen to be ordained as a deacon there. At a meeting held on February 1, 1845, the clerk was requested to prepare a letter to Rev. A. L. Mercer to be sent by Deacon Willis, who was Moderator pro-tem, asking him to accept the pastorship of the new church for the balance of the new year. On February 22 following, a letter from Rev. Mercer was received informing the members that it would be impossible for him to serve. The church members then called upon Rev. Meredith to serve. It was not until May 24, however, that a meeting was held and Rev. Meredith accepted the call to pastor the church for the balance of the year."

"On July 26, 1845, a meeting of the church officials and members was held with Rev. Meredith presiding, and the door was open for reception of members, and among those joining were Amos Richardson, William Willis, Richard Cole, and his wife, Martha Cole, by experience. At that time the church passed a resolution to petition the Ouachita Baptist Association for admission into that body as a member and that Joseph Peters, Noah Willis, and L. C. Bullock were chosen to bear the petitionary letter. The church was admitted to the Association and accepted at another meeting held on August 24, 1845, and it was resolved that meetings be held quarterly."

"No doubt that between the time the church was organized in January and up to August 1845, many people of the area had united with the church, as the minutes were very dim and in some cases entirely faded out. However, on October 25, 1845, the door was again thrown open for new members by Moderator Pro-tem, W. A. Sullivan, and three accepted. They were William Peters, Allen McCarty and wife, Mary McCarty, by experience."

"The last meeting of the organizational year was held on December 27, 1845, at which time the pastor for the ensuing year had to be chosen, and thereupon Rev. Meredith was renominated unanimously and being present, accepted."

As Mr. Woods explained, many of the pages are very dim and the handwriting is typical of that era, having many loops and fancy squiggles, making it difficult to read. I am sure I have made errors in some initials and names, but transcribed each entry as it appeared to me, therefore the reader may find the same name further on with a different spelling or different initials. I copied many words with their original spelling, also, especially where their meaning was not too clear to me.

This copy was made from the Xeroxed copy made by the Winnfield First Savings and Loan Association mentioned above through the courtesy of Mrs. Ophelia M. Story, Assistant Secretary. I have not examined the original books and so do not know if the dim pages on this copy can be read there.

FAMILY BIBLE PROJECT

Family Bibles are often invaluable, even irreplaceable, sources of genealogical information. Sometimes, however, the owner will not realize the significance of "all that old scribbling". Many of them are lost or destroyed, or even donated to bible collections for missionary work in foreign countries, and the genealogical material is lost forever.

THE GENIE is establishing a project to copy and publish genealogical information from Family Bibles of members and non-members everywhere. We call on all members to please assist by locating and copying as many Family Bibles as possible.

If you have a Family Bible, or know of one, please copy the information on births, deaths, and marriages, and send it to THE GENIE. Please identify the current owner, the location of the Bible, and as much as possible on the family background and their locations. If you need assistance on a difficult case, feel free to call on your editor. Any assistance required will be provided, including arrangements to have Xerox copies made - at no cost to the owner or to the individual obtaining permission to preserve these valuable records.

## BOOK REVIEWS

by Elizabeth Nance

THE BEECH TREE - A Boake Family History by Dorothy Boake Panzer can be ordered from the author, 7521 East 3rd Street, Downey, California 90241. The price is \$10.00 per copy postpaid for this 6½ x 9½ hardcover book. It contains 242 pages with an index, forward, a bibliography of general reference and source materials, and an appendix containing extracts from wills, deeds, Quaker Monthly Meetings and other source materials. In addition the book is also well footnoted with specific sources.

This family history begins with John Boak as Generation 1, Number 1, and proceeds numerically generation by generation. There is from a paragraph to several pages of biographical information on most of the people. The Boake Family is traced from 1333 through seven generations in England, ten generations in Ireland, and to America where the many branches are traced through several states to 1970. Some of the branches from Ireland to Canada are also brought to the present through six generations. There is a special chapter on several allied families which are carried through as many as four generations. This is an excellent, well written, well documented family history and an invaluable aid to anyone connected with this family.

THE NUTT FAMILY THROUGH THE YEARS by Dr. Merle C. Nutt can be ordered from the author at 2119 West Edgemont, Phoenix, Arizona 85009 for \$10.00 postpaid. This hardcover book is 6 x 9 inches and contains 288 pages with a table of contents, the Nutt Coat of Arms and Armorial report by the Halbert firm, and a bibliography for the origin of the Nutt family. There are family charts, pictures, sketches, a set of plans for the Longwood Plantation house, copies of wills, and other documents and memorabilia pertaining to the various branches.

This family history is mainly concerned with the Nutt family and traces the descendants of three 17th century Nutt brothers from Scotland to America, and to the present time, but it also includes information on McNutt and MacNutt families and various other spellings of the name. The diary of Cyrus Nutt, who was born in Ohio in 1814 and became one of Indiana's first great educators, is fascinating reading and gives great insight into the educational facilities of the early days. In the south, the story of Haller Nutt and his preparations for a great plantation home at Natchez, Mississippi, gives depth and meaning to the daily living of the period prior to the Civil War. There is much interesting biographical material on the various members of the Nutt family and its many branches and twigs.
