FROM THE EDITOR'S DESK

It seems a long way from January to August, but we of the Ark-La-Tex Genealogical Association are very proud to announce that Mr. Bill R. Linder, Director of the National Institute on Genealogical Research of the National Archives, will be the featured speaker at our Ninth Annual Workshop. Plan to attend on August 9, 1975. More details on page 5.

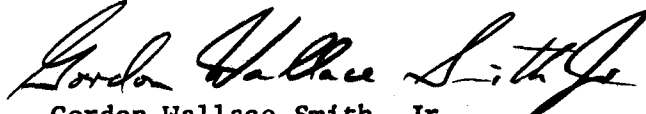

We're happy to report that Pete Nance, our president, is recuperating well and looking great following major surgery in December. We hope to see him back in his chair, presiding at our February meeting. You can't keep a good man down!

We'd like to call attention to our query column, Information Please, on page 50. We'd like to see the members use it more. It's free, and an excellent way of getting help on seemingly insoluble problems - why not give it a try? Remember, THE GENIE is circulated coast-to-coast, and shelved in numerous major libraries. You may find help from unexpected quarters. Try it!

Our Family Bible Project begins on page 29. Again we solicit assistance from every member in this effort to preserve the priceless genealogical information found in Family Bibles, wherever located.

We'd like to hear comments from our members on what subjects you'd like to see covered in THE GENIE, and what changes, if any, you'd suggest. Be it an opinion, comment, criticism, or even a "blind alley" problem, we'd like to hear about it, and maybe help. Please write.

To every member of our Association, and to every reader of THE GENIE, we wish a happy and prosperous New Year. May all your efforts be rewarded with new discoveries in 1975.

 Gordon Wallace Smith, Jr.
 Editor, THE GENIE

PRESIDENT'S MESSAGE

I take this means to wish each and every member of the Ark-La-Tex Genealogical Association a very good year in 1975, and thank those that were so kind and generous during my recent hospital confinement.

Sincerely,
"Pete" Nance
M. L. "Pete" Nance
President

NOTES FROM THE GENEALOGY ROOM

The Genealogy Room of Shreve Memorial Library has had to modify the new evening hours announced in September due to insufficient patron attendance. The new hours are Thursday (only) from 9 a.m. to 9 p.m. The Genealogy Room is open from 9 a.m. to 6 p.m. Monday through Saturday, a change from the old 5:30 p.m. closing time, excepting Thursday as noted. We URGE everyone who can to take advantage of the Thursday evening hours or these may be cancelled, too.

Did you know there is a Permanent Query File in the Genealogy Room? Anyone wishing to place a query in this file contact Mrs. Wright or Mr. Achee.

ERASERS WORK BETTER

The Editor's favorite typist used a new material to correct typing errors as she prepared the masters for the October 1974 issue of THE GENIE. To our chagrin the printing inks eroded the correction material leaving some very unsightly blotches. More importantly, the blotches may cause confusion in, at least, one instance - page 4, lines 20 and 21, under the caption REGIMENT.

Please read 5th La for these two veterans.

BACK-ISSUES

A limited number of back-issues of THE GENIE are available at \$1.50 per single copy, or \$5.00 per volume - if the complete volume is on hand. Orders will be filled on a "first received" basis and sent by return mail. A check or money order must accompany your order and, if we cannot fill your order it will be returned to you immediately.

MT. HEBRON CEMETERY
Claiborne Parish, Louisiana

Copied by Mrs. Harold D. (Arelia) Breed, Bernice, La., July 2, 1974.

Notes from Mrs. Breed: The cemetery is close to Mt. Hebron Church, established about 1848, approximately 5 miles from Weldon and in Claiborne Parish, not too far from Union Parish line. From Hwy 167, just north of Bernice, turn left onto Alternate Rt 2, go about 8 miles - watch very closely for a sign on a tree, "Mt. Hebron", then turn left.

Many tombs were there 30 years ago - no longer there as they broke and some not replaced. Many stones are crumbled and in very small pieces - unable to be read. Records on these people should be checked in Union, Claiborne, Bienville, or Lincoln Parishes. (In notations A.M.B. is Mrs. Breed. Ed.)

FAMILY BIBLE PROJECT

The above Family Records are the last pages bound into this Bible, however on a separate sheet of paper, slightly larger than the pages for visibility, and placed just in front of these pages, is a note written some years ago by Mrs. Margaret Gilbert Higgins, gr-granddaughter of Benjamin Wheeler, which reads as follows:

"Wheeler Family Bible on Gilbert side of family. Do Not destroy or let pass out of family without removing marriage and birth records which often prove important in tracing relationships."

Mrs. Higgin's note points up the reason THE GENIE is conducting our Family Bible Project - specifically, Family Bibles are often irreplaceable records of lineage and genealogy. We urge every member to send for publication any Family Bible information to which he or she has access. -Ed.

GENIE GEMS

"Bits & Pieces From Here & There"

With reference to the Douglas Cemetery records, page 11, THE GENIE, October 1970, under DAVIS, Sarah Frances, 5 Apr 1855, 8 Oct 1935, we quote from a letter from Mr. T. A. McClendon dated 13 Nov 1974:

"Sarah Frances (McClendon) wife of W. S. Davis, dau of W. S. and M. A. (Mary Ann Milling) McClendon. This is an error, if my records are correct and I feel sure they are. The notation should read A. D. (Alphin Demarcus) McClendon. He was married twice, 1st to above M. A. Milling. She died 3 Oct 1862. He remarried in 1867 to J. Frances McCauley. I do not have her birth or death date. I'm sure M. A. Milling (McClendon) is buried in Mt. Zion Cem east of Calhoun, La. on the old highway."

Mr. McClendon is the author of THE McCLENDONS, see review in July 1974 GENIE. His address is: 3301 Pacific Avenue, Stockton, California 95204.
