

INTRODUCTION

All of the Ark-La-Tex Genealogical Associations quarterly publications of THE GENIE, were researched as to The Table of Contents from each issue from Volume I, 1967 through the fourth quarter of Volume XXVII, 1993.

All items of genealogical interest are listed here to provide a means of easily determining the material that has been published in the past. The material is generally listed by subject, such as: Bible Records, Cemeteries (by State), County Records (by State), Family Histories, Letters and other pertinent information. A number at the end of each item listed indicates the location of that item-Example: 3/82/18 indicates Third Quarter of the year 1982, page 18.

ACKNOWLEDGEMENT

The Association wishes to acknowledge and thank Patsy and James Oliphant, Jr., Bossier City, Louisiana, for their time and effort in researching and compiling this material and making it available for this publication.
